Washington is the northwestern-most state of the contiguous United States. It borders Idaho to the east, bounded mostly by the meridian running north from the confluence of the Snake River and Clearwater River (about 116°57' west), except for the southernmost section where the border follows the Snake River. Oregon is to the south, with the Columbia River forming the western part and the 46th ...

Our Heritage: What is our non-American origin? Or, to ask it another way, to which countries in Europe can we trace our ancestry, the answer would probably be something like: "mostly English, with some Scottish and Irish thrown in, and one strong line of German." In short, like most Americans, we are a mixture.
