4. Contribute to open source This is one of the best ways for experienced programmers to keep themselves up-to-date. For example, if you need to learn a Big Data framework like Apache Spark or Hadoop then you can also join the project as open source contributor. You will not only help the community by contributing given you have a good experience but also learn a new technology on the way.

Welding is a fabrication or sculptural process that joins materials, usually metals or thermoplastics, by using high heat to melt the parts together and allowing them to cool causing fusion. Welding is distinct from lower temperature metal-joining techniques such as brazing and soldering, which do not melt the base metal.. In addition to melting the base metal, a filler material is typically ...
