

a history of arabia pdf

The history of Saudi Arabia in its current form as a state began with its foundation in 1744, although the human history of the region extends as far as 20,000 years ago. The region has had a global impact twice in world history: In the 7th century it became the cradle of Islam and the capital of the Islamic Rashidun Caliphate. [citation needed]From the mid-20th century the discovery of vast ...
