Various scholars have developed guidelines, or canons of textual criticism, to guide the exercise of the critic's judgment in determining the best readings of a text. One of the earliest was Johann Albrecht Bengel (1687–1752), who in 1734 produced an edition of the Greek New Testament. In his commentary, he established the rule *Proclivi scriptioni praestat ardua*, ("the harder reading is to be ...

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
