Alphabet Adventures - Letter A by United Teaching | TpT

How to help. With the help of parents and teachers, kids can learn strategies to overcome word decoding and phonics problems that affect their reading.

Word Decoding and Phonics | Reading Rockets

Very young learners are developing their understanding of the alphabetic principle – the understanding that there are systematic and predictable relationships between written letters and spoken sounds. Teachers can help students develop this understanding through lots of fun activities that help students explore the alphabet letters and sounds.
