The libertarian idea of society without a state appeals to many people, but, however enticing the idea, it is often dismissed as utopian. How could an anarchist society defend itself against large, centralized states? Defense, it has been alleged, cannot be adequately supplied by the free market. It ...

A voting age is a minimum age established by law that a person must attain before they become eligible to vote in a public election. Today, the most common voting age is 18 years; however, voting ages as low as 16 and as high as 25 currently exist (see list below). Most countries have set a minimum voting age, often set in their constitution.
