America by Car | Fraenkel Gallery

America's automakers are among the largest purchasers of aluminum, computer chips, copper, glass, iron, plastics, rubber, steel, textiles and vinyl, as well as special metals needed for clean-car technology. Automakers also convert post-consumer products and agricultural products into useful new materials for automobiles.

America Cars move - Alliance of Automobile Manufacturers

Never has America been photographed so penetratingly and ingeniously as in Friedlander's latest body of work. After much anticipation, now available is the highly coveted signed and numbered limited edition of Lee Friedlander's AMERICA BY CAR, published by Fraenkel Gallery/D.A.P. This massive tome, much larger than the trade edition and ...

America By Car (Special Edition) | Fraenkel Gallery

Racing in America Introduction "Auto racing" is a troublesome term, for unlike "baseball" or "basketball" the term doesn't refer to a clearly defined sport. Instead, it refers to several possible sports "Indianapolis-style racing, stock car racing, drag racing, sports car racing, land
