The first inhabitants migrated into the Americas from Asia. Habitation sites are known in Alaska and the Yukon from at least 20,000 years ago, with suggested ages of up to 40,000 years. Beyond that, the specifics of the Paleo-Indian migration to and throughout the Americas, including the dates and routes traveled, are subject to ongoing research and discussion.

Introduction. Since the end of World War II the international political system has been organised around the notion of equal sovereignty of states, internal competence for domestic jurisdiction, and preservation of existing boundaries, and yet that these ideals have been violated frequently is incontestable (Elden 2006, 11).
