

### **an apple a day pdf**

Apple Day is an annual celebration of apples and orchards, held in October. It is celebrated mainly in the United Kingdom. It traditionally falls on 21 October, the date of the first such event in 1990, but events are held throughout the month. It is commonly a weekend event, usually taking place on the Saturday and Sunday closest to 30 October.

### **Apple Day - Wikipedia**

The apple is a deciduous tree, generally standing 6 to 15 ft (1.8 to 4.6 m) tall in cultivation and up to 30 ft (9.1 m) in the wild. When cultivated, the size, shape and branch density are determined by rootstock selection and trimming method. The leaves are alternately arranged dark green-colored simple ovals with serrated margins and slightly downy undersides.
